## PET POLICY

At Letsatsi Lodge we know that sometimes you're travelling partner may have four legs and different needs. Therefore we have converted two of our Luxury Chalets into a dog friendly haven. Your pet will sleep inside the Chalet.

Pets are not allowed on the furniture, and must be free of lice and fleas. We have tame Springbuck on the premises, so please keep your dog on a leash at all times, as you will be held liable for any injured or killed animals. Please ensure that your dog is with you at all times, and that your dog has been sterilized and/or is not in season.

Cleaning costs for furniture and/or bedding dirtied and/or damaged by pets, will be charged for on your account. Please consider other guests and clean up after your dog. If your dog keeps barking, please take him inside the Chalet.

Your dog is a welcome guest, and we shall do our best to make your and his/her stay as comfortable as possible.

The cost is R60-00 per dog. No more than two dogs per Chalet.
